— What every package includes

Custom setup for your clinic

Your treatments, doctors, prices, timings and branding, configured by us.

Data import

Your existing Excel / software data moved in. Azure or HMS connection on request.

Security & backups

Secure staff logins, 2-step verification, daily backups kept 30 days.

Staff training

One training session, simple guides, and monthly backend checks.

Works on any device

Phone, tablet and laptop. Nothing to install.

You own the data

Export everything any time. Patient medical details only after a written data agreement.

Not included (paid by the clinic directly, at cost): ad spend to Meta / Google, WhatsApp Business API message fees and AI voice call minutes.

— Patient marketing & branding

SERVICE	WHAT YOU GET	PRICE (PKR)
Meta Ads management Facebook & Instagram	Treatment-specific campaigns, lead forms and WhatsApp ads, weekly checks, monthly report	Rs 35,000 – 60,000 / month
Google Ads management Search & Maps	Search and Maps campaigns, call and WhatsApp tracking, negative keywords	Rs 40,000 – 70,000 / month
Social media management 12 posts + 8 reels / month	Content calendar, design, captions, posting and monthly growth report	Rs 50,000 – 80,000 / month
Reels & video editing	Short videos edited for your clinic with hooks, captions and branding	Rs 25,000 – 50,000 / month
Clinic SEO	Rank for your treatments in your city, Google Business Profile, monthly report	Rs 40,000 – 80,000 / month
Treatment landing page	One page built to book consultations, with WhatsApp and call tracking	Rs 30,000 – 50,000 one-time
Clinic website	Full website with treatments, doctors, booking and WhatsApp	Rs 60,000 – 150,000 one-time

Final price inside the range depends on clinic size, number of treatments and channels. Confirmed in writing before you pay.

— Payment terms

- 50% of the setup fee at signing, balance on delivery (go-live)
- Monthly fee paid in advance, 3-month minimum on monthly services
- Ad spend, WhatsApp API and call minutes paid by the clinic directly
- Written service agreement and invoice for every clinic
- Setup in 7–14 days after payment and data received
- Large hospitals, multi-branch and custom integrations quoted after a free call

— How to start

1. Free 20-minute call

We look at how patients find you today and where enquiries get lost.

2. Written proposal

Package, price and exactly what is included. You approve.

3. Setup & go-live

CRM, WhatsApp AI, ads and pages go live. Your staff get a short training.
